ABOUT

Babcock North is proudly owned by a local non-profit organization, known as Alamo Community Group (ACG). While ACG has been providing quality affordable housing since 1990 it has also been empowering community members by facilitating educational and community building programs through its on-site Community Learning Centers. These programs and services allow residents the opportunity to take advantage of educational and asset building activities without the barriers of time and transportation.

“I have lived at Babcock North over 6 years now and I love it. The location is convenient and staff is all very nice.”

~ ROXIE S.
